

Mrs. Croke's Memoriam Scholarship

Mrs. Croke was a beloved teacher of Saint Gabriel's School. She was loved, respected and admired by each and every student. As a role model, confidant, good listener and friend she touched all the student's lives in one form or another. Mrs. Croke was a strong advocate and particularly insightful into the needs of students with disabilities. For this reason we will be establishing a scholarship in Mrs. Croke's honor to financially help a special needs child to be able to attend Saint Gabriel School. The scholarship will be awarded at the 2011 class night celebration. Please contact Dr. Kingston directly for questions, donations or suggestions for avenues of funding. (203-874-3811)
