Please look through the Fundraising Events & Development Opportunities sheet and use this form to note where you are interested in volunteering and return this form on the first day of school. This sheet will give the Development Team an idea of what activities you are interested in so we may contact you prior to each event. If you don't sign up for something now, but decide later in the year you would like to get involved, we will be more than happy to include you. Signups will be distributed and posted online throughout the year. We welcome all new and returning families to get involved ... new ideas and new volunteers are encouraged. Volunteering is a great opportunity to meet new St. Gabriel School families!
