

January 6, 2011

Dear Parents and Guardians,

The annual Science Fair is coming up fast!

I have been reviewing Science Fair ideas and principles with classes. The SGS Science Fair is in the second week of February 7th and the Connecticut State Science Fair is in March.

Mr. McGovern and I will be available afterschool for any assistance that students may have concerning their project, display and procedures.

Thank you and if you have any questions please do not hesitate to contact me.

Sincerely,

Mr. Schnakenberg
